DeClear

ALL NATURAL BOTANICAL NEUTRALIZERS

All Natural Botanicals that Neutralize Toxins

Sting & Bite Neutralizer Gel

Quickly alleviates bee stings, fire ants, jellyfish and other bug bites. Treats the cause by neutralizing the toxins and stops the itching and burning. Anti-inflammatory properties expel foreign matter from the skin.

DeClear™ Sting & Bite Neutralizer Gel speeds healing when applied to a sting or bite. The secret is in the all natural botanical ingredients such as aloe Vera that draws out the infection while preventing blistering. The Pentadecanoic Acid speeds healing and reduces infection and scarring. The Linoleic Acid restores the skin's moisture. The Ascorbic Acid aids faster healing.

DeClear™ Sting & Bite Neutralizer Gel is extremely effective for mosquitoes, bees, wasps, fire ants, fleas, chiggers, ticks and jellyfish. It is colorless and odorless.

The product is used by the U.S. Forest Service to treat bites and irritated skin.

Poison Ivy/Oak Neutralizer Gel

Quickly and effectively neutralizes the toxins associated with Poison Ivy, Poison Oak and Poison Sumac in minutes and relieves pain and discomfort. The ingredients stop blistering and speeds the healing process.

Can be used both pre and post eruption.

DeClear Poison Ivy Neutralizer Gel is all natural. It is composed of a combination of phyto-botanicals that produces a remedy that stops itching while healing inflamed skin from exposure to poisonous plant oils.

DeClear Poison Ivy Neutralizer Gel gives quick lasting relief and substantially reduces down-time from the rashes.

The California Department of Forestry was among the first to use this product extensively in the Las Padres National forest in California along with the U.S. Forest Service. This part of the state is totally infested with poison oak, ivy and sumac.

Available in a 2oz. bottle

DeClear
ALL NATURAL BOTANICAL NEUTRALIZERS

Fungus & Bacteria Neutralizer Spray

A new breed of skin care that is all natural, fast and effective. The ingredients kill athletes feet and itchy fungal or bacterial skin irritations. It alleviates itching, burning and chafing. This product is painless, odorless, colorless and fast drying.

DeClear Fungus & Bacteria Neutralizer Spray is a all natural herbal remedy and infection neutralizer with remarkable fungal and antibacterial properties. The botanical extract contains complex plant proteins that selectively inhibit and reduce the fungus responsible for athletes foot and other itchy fungal or bacterial skin irritations.

The ingredients suppress secondary infection by eliminating harmful bacteria preventing re-infection.

The product is absorbed by the skin. This is essential since fungus invaders actually imbed their roots in your skin, feeding on the sugar in your blood stream.

Available in a 2oz. bottle

SIZE DIMENSIONS: 2 oz. bottle with drip dispenser is w-1 1/4, h-3 1/4

WEIGHT: Filled bottle weight is 47 gms

CASE PACK: 12 BOTTLES 5 1/4 W X 3 1/2 H X 4 1/4 D

MASTER CARTON QUANTITY: 144 Bottles 22" L x 14" w x 3 1/2 H

PALLET QUANTITY: 6 master cartons will fit on a pallet that is 42" x 42"

APPLICATIONS PER BOTTLE: A 2 oz. bottle will treat 10 - 15 applications

APPLICATION REQUIRED: No Scrubbing is needed, Spray is applied directly to the affected area

Acne and other Skin Problems Neutralizer Gel

An all natural remedy for acne, pimples, cysts, boils & blackheads.

A pharmaceutical grade herbal remedy treatment for these and other skin problems.

DeClear Acne Neutralizer Gel is a pharmaceutical grade, all natural herbal remedy that effectively works on acne, pimples, blackheads, boils, cysts and other skin problems. The product is absorbed into the skin and goes to the glandular and vascular structures in the derma. It clears and controls acne and other skin blemishes to bringing welcome relief from fever blisters and itchy rashes. It is a topically applied, cool, soothing, anti-bacterial dermal decongestant. Made from a plant protein compound of natural amino acids and other (plant) phyto-botanicals.

The ingredients neutralize and remove serum irritants, unclogging the skin's derma, reducing inflammation and restoring skin to normal comfortable health. It is a natural astringent with gentle drying characteristics which it even more effective in cleansing and tightening skin pores.

This neutralizer is all natural and derived from living plants. It is invisible on the skin, odorless and safe to use as often as needed. An easy to use gel with a combination of benefits that are unique to problem skin problems.

Psoriasis and Eczema Neutralizer Gel

relieves the misery without adverse side or after affects. Safe all natural ingredients to use continually over time without tolerance build-up

Alleviate the agony of eczema and psoriasis. DeClear psorXma Gel is a safe alternative to other more aggressive treatments to heal and repair your skin. By using skin-repairing, soothing phyto-botanicals, this treatment relieves the painful itching and flaking on your skin without side effects. You can use this product for as long as you need without building up a tolerance.

With all natural ingredients, this product is ideal for those suffering from dry, itchy skin associated with eczema and psoriasis to calm, cool, heal, and repair the skin.

Plant phyto-botanicals reduce inflammation in the skin, removes dead, flaky skin cells, and hydrates the skin. The glutamic acid is an amino acid that binds water to the skin. Ascorbic acid tones and protects the skin from damage.
